Southwestern Vermont
Medical Center

Visitor Policy

Visiting hours: 11 am – 7 pm daily. Please exit building at 7 pm.

Hospital Inpatients (East, West, and ICU)

Two persons allowed at a time.

Adult Outpatients and Prenatal Outpatients

(Appointments and Procedures)

One person allowed per day.

Pediatric Inpatients and Outpatients

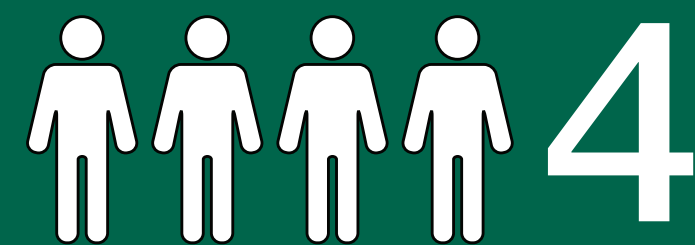

(Appointments and Procedures)

Two persons allowed per day.

Women's and Children's Services

Two birth partners plus two visitors allowed at a time.

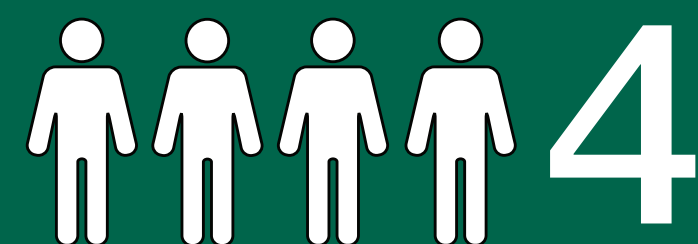

Emergency Department

Two persons allowed at a time.

End-of-Life Care

Limit 4 visitors. Visitors must remain in patient room at all times.

When possible it is recommended that minors not accompany patients or visitors at this time.

Minors visiting the inpatient units will need prior approval by the clinical team. All minors must be accompanied by an adult.

If minors are present with outpatient and the procedure cannot be performed, the appointment will need to be rescheduled.
